## ABOUT

---

With a passion for digital design and a background in both digital and print media, I bring a unique perspective to creative projects.

Experienced in team collaboration and project management, I excel in environments where every member is valued and contributes effectively. Additionally, I am adept at managing independent projects.

With 5+ years of experience in digital design, I have successfully mentored colleagues to deliver innovative brand experiences resulting in positive client feedback. In just 3 months at BBDO Zagreb, I independently worked on multiple projects, resulting in increased brand visibility and customer engagement.
